Player Assessment Matrix

The player, judged against the model.

Rate what you see against your principles, then write the birth month and your guess of maturity before you decide anything.

Player

Position

Age group

Birth month

Maturity, early, average or late

Against our principles

Attacking organisation	1	2	3	4	5
Transition after losing the ball	1	2	3	4	5
Defensive organisation	1	2	3	4	5
Transition after winning the ball	1	2	3	4	5

Four corners

Technical and tactical	1	2	3	4	5
Physical	1	2	3	4	5
Psychological	1	2	3	4	5
Social	1	2	3	4	5

1 needs a lot of work, 3 shows it often, 5 shows it under pressure every time.

What happens in the player's life that we should know

School, travel, family, growth.
